

WORLD TRUST

FOUNDATION

August 6, 2008

Dear HUB Team,

I am writing on behalf of Spryte Loriano (FEED 333 Founder) and myself, in deepest gratitude for the \$22,900.12 donation that was given to World Trust Foundation on behalf of our FEED 333 program.

Working in conjunction with Feed the Children these past 2 years has been rewarding to see the impact of working in collaboration, to help children in need.

This past year we co-produced an event in South Central to feed 2,000 families. This event was in conjunction with Feed the Children's event in Queens NY, where they fed over 10,000 families. Together it was the largest single day food drop in the history of the United States.

We look forward to unveiling our plans for FEED 333 2008 and would love for HUB to have a continued part in our success.

We thank you from the bottom of our hearts!

Most sincerely and deeply grateful,

Tess Cacciatore
